Full Exhibitor Registration

The full exhibitor package includes one 8-foot skirted display table and one attendee name badge permitting access to all sessions, coffee breaks and the welcome reception, and all conference materials including program/abstract book.

Registration for additional exhibit staff should be included in the fee calculation

on the registration form. Please provide the name and contact information for all attendees in the space provided. Exhibitors will receive maximum exposure, with registration from Tuesday evening through Friday, and morning and afternoon coffee breaks on Wednesday, Thursday and Friday all located in the exhibit area.

Table Top Display (unattended)

Conference staff will unpack and arrange your materials for display. The exhibit area is not secure and your table will be minimally monitored by staff during the conference. At the close of the conference, staff will pack remaining items and return them to you at your expense. Neither the Society for Computational Economics, Simon Fraser University, Sheraton Wall Centre nor Simple Meetings will be responsible for loss or theft of any displayed items.

Other Ideas

Consider a leaflet or logo item to be stuffed in the conference bags. Sponsor the reception or a refreshment break. Print your logo on conference bags or USB memory sticks loaded with the conference program. We are open to suggestions and will appreciate working with you on any idea that you might have.

Artwork

If your package includes an ad in the program book, please send a high resolution, black & white PDF or jpg file before April 15, 2013. Page size and other formatting details will be provided. Additional pages are available for an additional charge. Include the extra pages in the fee calculation on the registration form.
